About the Institution:

Sydenham College of Commerce & Economics insinuates recapitulating a history of 106 years of academic excellence, a history that is as chequered as the history of modern India. Established in the year 1913, Sydenham is the first Commerce College in the Asian continent. It is the first college under Mumbai University to offer M.Com. with specialisation in Accountancy as well as Banking & Finance since 1925. Sydenham takes pride in noting that Bharat Ratna Dr. B.R. Ambedkar, one of the most illustrious of our faculty worked as the Professor of Political Economy during 1918 to 1920. Earlier, on the occasion of Platinum Jubilee of the college in 1988, the Government of India acknowledged the colossal contribution of Sydenham College in the field of education by issuing a special postal stamp dedicated to the college. The College is also an approved Faculty Development Centre under the PMMMNMTT Scheme of MHRD, New Delhi. Among all the government colleges in the state of Maharashtra, Sydenham College has the highest CGPA of 3.42 with Grade 'A' accreditation from NAAC.

As COVID-19 has affected the entire universe and as we are under lockdown, we have enough time to plan out future and surge ahead by converting this adversity into opportunity. So the institution has come up with Four days Online Webinar exclusively for Final Year and PG students by focusing on Future career options, Financial Planning and Soft Skill Development. This will enable students to enrich their skills and capitalizing the prospect during the lockdown period.

Learning Outcomes:

- To understand exactly what career option to choose and how to build a proficient career after Graduation.
- To stimulate leadership fineness, managerial efficacy and vibrant communication skill.
- To empower and educate students to mobilize savings through various investment avenues.
- To groom students to enhance their self-confidence, self-esteem and improve their overall personality.
