

Environment Promotional Activities

7.1.6.1 Beyond the Campus environmental promotional activities:

Environment preservation is the need of the hour in today's progressive ecosphere and is of paramount significance to achieve sustainable development of the universe. Sydenham College is always at the leading edge in contributing towards environment preservation and promotion.

It adopts various eco-friendly practices within and beyond the campus. This a key step towards preserving the environment and contributing to the endurance of the mother earth in a responsive way. College acts as a promoter in conserving the environment by encompassing all students, faculties and other stakeholders in this initiative. Awareness programs regarding environmental protection is undertaken by different societies of the college.

Some of the environmental promotion activities beyond the campus are:

- 1) Session on Marine Pollution
- 2) Beach Cleaning Drive in collaboration with United Way
- 3) Seed Ball Plantation Drive by Ashwas Foundation
- 4) Tree plantation Drive – Majhi Vasundhara Campaign
- 5) Swachh Bharat Abhiyaan Campaign
- 6) A session on Bio-Medical waste & Effective Disposal Face Mask and surgical mask
- 7) Celebration of Water Conservation Day on March 22, 2022
- 8) NSS had organized one hour session on “Save and restore Mangrove”
- 9) Observing Earth Hour by student, faculties on 26th March 2022.
- 10) Promotion of Eco-Friendly Ganesh Idols.
- 11) Artificial ponds were created by NSS students in collaboration with other colleges to promote eco-friendly immersion of Ganesh idols
- 12) Webinar on “Rain Water Harvesting”
- 13) Essay Competition on Green Diwali
- 14) Poster making competition on Save Electricity.
