

### **7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens**

Response:

Sydenham College has always been in the limelight for nurturing all-inclusive development of the students in the pursuit of our mission and vision. We at Sydenham College bequeath students with pre-emptive and proficient teaching learning environment. Apart from academics, we focus on developing various facets like values, ethics, duties, responsibilities which are foreseeable in grooming them as a responsible citizen of the nation.

Following are some of the initiatives adopted by the college to sensitize students and staff towards constitutional onuses:

1. Following activities were organized by NSS and SSL unit
  - a) Army Day Celebration – to make students aware about the invincible courage and sacrifice of Indian Army towards protecting their people and nation.
  - b) National Voters Day Event – to encourage young minds to participate in electoral process and to understand the importance of Right to Vote as a basic right.
  - c) Session on responsible citizen and waste management was organized on 13<sup>th</sup> February 2022
  - d) Beach Clean-up drive was undertaken by NSS students
  - e) Student participated in E-Pledge on fight against drug abuse - Narcotics Control Bureau & Ministry of Home Affairs
2. In order to commemorate the adoption of Indian Constitution, College celebrates Constitutional Day (Samvidhan Diwas) to make students aware about the distinctiveness of Indian Constitution and various guiding principles in our constitution.
3. Poster Making Competition was organized by NSS on National Unity Day (Rashtriya Ekta Diwas). Students also presented their views about contribution of Sardar Vallabhai Patel and its relevance in today's world.
4. The subject of Environmental Studies at the First year educate students about their duties and responsibility towards preserving environment and make them accountable to find our practical solution to tackle environmental problems.
5. The course curriculum sensitize students about ethical aspects, their duties and obligation towards the nation. Project work related to Constitutional and human Rights is given in the subject of foundation course.

6. A session on “Consumer Rights in digital world” was organized by BMS department of the college.

Thus college is committed towards maintaining its legacy of incorporating the principles of social and community responsibility in students, staff and other stakeholders thereby exhibiting dedication towards creating a team of ethically responsible citizens.
